NAICS CLASSIFICATION DIRECTORY

Federal classifications • verified history • pending modifications

I — CLASSIFICATION AUTHORITY

This directory distinguishes previously documented classifications from changes submitted for federal registration. Submitted classifications must not be represented as active until confirmed in the current SAM.gov record.

II — DOCUMENTED NAICS CLASSIFICATIONS

611519	Other Technical and Trade Schools — prior primary classification identified in Federal Capability Statement REV003; current record requires verification.
561210	Facilities Support Services — proposed primary classification in submitted NAICS update; confirmation pending.
561720	Janitorial Services — included in submitted NAICS update; confirmation pending.

III — ADDITIONAL SUBMITTED CLASSIFICATIONS

A broader modification has been reported. The complete code-by-code submission was not included in the reviewed documents; additional classifications are intentionally withheld until reconciled against the authoritative submission or active registration.
