FEDERAL CAPABILITY STATEMENT

Facilities Support • Construction • Technical Education • Enterprise Services

I — ENTERPRISE PROFILE

Project Elysian LLC is an Indiana limited liability company founded in 2026. Its enterprise structure encompasses technical and trade education, facilities and enterprise services, and field-oriented operations. Elysian Xchange is the company's commercial janitorial services brand, not a separate legal entity.

II — CORE SERVICE CAPABILITIES

FACILITIES & JANITORIAL — Commercial office cleaning, custodial service, floor care, window cleaning, and documented service schedules.

CONSTRUCTION & CONCRETE — Commercial construction support; potential concrete-related work including slabs, sidewalks, curbs, pads, and repair, subject to qualified staffing and subcontractor arrangements.

TECHNICAL EDUCATION & ADMINISTRATION — Technical and trade education, educational support, management consulting, coordination, and operational documentation.

III — OPERATING & QUALITY APPROACH

Founder-led procurement coordination, service checklists, dated work logs, documented corrective actions, and defined quality-assurance responsibilities. Staffing, insurance, and subcontracting capacity are confirmed against the requirements of each solicitation.
